

Filming and Photography Policy

The Law Library is designated by Harris County Commissioners Court as a space for persons engaged in legal research. Filming and photography in the Law Library without permission is prohibited. Law Library patrons are prohibited from filming and photographing other law library patrons or otherwise disrupting patrons' use of the Law Library. Law Library patrons are prohibited from harassing Law Library staff or otherwise disrupting Law Library services by engaging in filming or photography in the Law Library. Violation of this policy may result in the responsible patron being asked to leave the Law Library until such time as the patron, in the reasonable opinion of Law Library staff, is able to demonstrate an ability and willingness to comply with Law Library Rules.
